<https://home.army.mil/bliss/index.php/about/Garrison/DES/gate-information> • 915-568-3215

Bliss is Back (BiB) Information Paper

Situation. After two years of restrictions at Fort Bliss due to the worldwide COVID-19 pandemic, the current health protection condition (HPCON) and advances in workplace safety, medicine, and understanding of the situation has brought the environment back to a position where Fort Bliss can return to full operations. However, to reach both max potential in both operational capacity and usage, Fort Bliss will need to provide guidance to its facilities and their staffs, reenergize change in the organizations to come out of COVID protocols, and synchronize efforts with a communications campaign to advertise and inform populations both on and off the installation of the services offered on Fort Bliss.

Mission. Fort Bliss executes Bliss is Back (BiB) from 13JAN 23 to 17MAR23 to demonstrate to the Service Members, Civilians, Family Members, and the surrounding communities that all installation services are at full capability.

Commander's Intent. Fort Bliss develops and implements a comprehensive plan to return the installation to pre-COVID level of operations in conjunction with the current Work Safe/Live Safe policy.

Purpose. Return Fort Bliss services to pre-COVID levels of operations, availability, and participation and provide Service Members, Civilians, Families, and the surrounding communities notice that Fort Bliss is back to optimum service and support levels and is an ideal location to be assigned to and visit.

Key Tasks.

- Bring all facilities and services back to pre-COVID capacity/capability.
- Scrub the garrison websites and directory to ensure service contact information is correct.
- Review and update work policies to support maximizing Fort Bliss services.
- Develop a garrison services common operating picture (COP).
- Develop a communications plan that works in parallel with Fort Bliss' physical return to full capacity.
- Identify, coordinate, promote, and execute events from 13JAN23 to 17MAR23 that incorporate both Fort Bliss and the local community.

End State. Fort Bliss services return to full pre-COVID levels of operational capacity, service usage, and that Service Members, Civilians, Families, and the surrounding community are well informed of the services offered, and the Fort Bliss workforce maintains a safe workplace.

Tasks to Fort Bliss Units.

- Maximize participation in BiB events.
- Remove signage, answering machine messages, and website information put in place for COVID restrictions.
- Coordinate messaging with 1AD and Garrison Public Affairs Offices.

Tasks to Garrison Directorates.

- Remove signage, answering machine messages, and website information put in place for COVID restrictions.
- Review and update Directorate contact information for the garrison directory.
- Schedule and execute BiB activities that promote the message that Fort Bliss is back to full capacity.
- Implement updated installation access procedures that increase community access while mitigating risk.

- Develop an Installation map that is appealing to a civilian audience to drive attendance to Fort Bliss facilities, events, and services that are open to the public.
- Develop a comprehensive marketing plan that engages the Fort Bliss on post and off post community to inform and shape the utilization of installation facilities, improve team cohesion, and increase quality of life by highlighting the facilities and using a multimedia approach.

Coordinating Instructions.

- Access to the installation to attend BiB events is open to the community. Updated access procedures are in place at the Buffalo Soldier (915-568-3215) and Chaffee Gate (915-568-8853) Visitor Control Centers. For additional information on installation access procedures see <https://home.army.mil/bliss/index.php/about/Garrison/DES/gate-information>.
- Privately owned weapons not registered on Fort Bliss are unauthorized (with the exception of the Rod and Gun Club).

Directorate of Emergency Services

Installation Traffic Violations 1-7 December 2022

All Citations

Traffic Offenses

The DES Police Services Division (PSD) is undertaking an initiative to make our installation a safer pace for drivers and pedestrians. The Police Services Traffic Section has developed a COMPSTAT Action Plan specific to traffic violations based on ICE comments, traffic accidents, and customer observations. The PSD will start proactive enforcement in December 2022.

Common Fines with Court Fees:

Basic Traffic Offense =\$105-\$180

Fort Bliss Spouses' Association (FBSA)

About Us

Fort Bliss Spouses' Association

Connecting people, improving lives.

Who we are

We help our members settle into life here at Fort Bliss by offering monthly socials, September through May, as well as several interest based sub-clubs such as crafting, entertainment, lunch bunch, wine and book clubs. Beyond facilitating lasting friendships, we also provide our membership with opportunities to get involved within FBSA and our military community.

Who can join?

All DoD ID card holders of Fort Bliss and the greater El Paso community are invited to become members of FBSA.

What we operate

- Fort Bliss Thrift Shop
- Fort Bliss Property Rentals
- Operation Deploy Your Dress
- What the Flock?!
- Fort Bliss Gift Shop
- Community Grants and Scholarship Fundraising
